aux huiles  
essentielles

Presentation: Bottle of 3,38 FL.OZ (100 ml) / Recommended price : 13,90 €  
Available on [www.eona-lab.com](http://www.eona-lab.com)

Practical, new organic and 100% natural atmosphere sprays EONA facilitate daily the use of essential oils with 2 references :

- **Purifying Spray** : to naturally purify the air of your home, office or car... and relieve from bad smells. Fresh and vivifying fragrance of fir and eucalyptus.
- **Relaxing Spray** : to relieve stress and relax at any t- of the day or relax before to sleep. Sweet and tangy scent of Orange and Pine.

Use :

3 to 6 sprays in the air. Renew several times a day.

## About EONA

EONA (Essential Oils Naturally Active) is a French lab based on Milly la Forêt (55 Kms south of Paris), in the aromatic center of Île de France Region.

Specialized in aromatic care for 30 years, EONA combines aromatherapy expertise and perfect knowledge of human body, to offer natural care for all of those who wish to preserve and optimize their health capital.

By our know-how and our expertise, we are since ever partners of physiotherapists and professional elite sport (INSEP- French Institute of Sport, Olympic Committee).

We develop and commercialize organic essential oils products (creams, gels, massage oils, sprays...) and a large range of essential oils.

**Convinced of benefits of essential oils, we wish to provide everybody our brand and our products.**
